

24-Hour Weekend Fishing & the Family Special

HERE IS HOW IT WORKS:

Once a month during Trout Season, we will hold these 24-Hour Specials usually the weekend nearest the full moon. Check our website for the exact dates, sometimes it varies. During our Summer Catfish Season, we hold them EVERY weekend. 24-Hour Fishing is on Friday and Saturday Evening beginning at 5:00pm and ending at 4:00pm the following day. You can fish all night long, all through the early morning, and clear up till 4:00pm the next day. Fish the Friday or Saturday Evening sessions, or both, if you want to make it an all weekend long outing.

There is a 15 Fish Limit with the 24-Hour Special. The fee is ONLY \$75 for Adult admission. 15 fish is worth (depending of the size of the fish caught) around \$150.00 or more so it's a GREAT value!! The Family Special allows the Father to include his family to join him for FREE. Mom and up to 3 minor children (under 18) can accompany Dad and help him catch the 15 Fish Limit for **NO EXTRA CHARGE.** THERE IS NO BETTER DEAL AROUND THAN THIS FOR A FAMILY TO GET OUT, HAVE SOME QUALITY FUN, AND BRING HOME A LOAD OF GREAT EATING FISH FOR THE FAMILY!!

1. NO Reservations are needed, it's first come first serve, but we have plenty of areas to setup camp around the Lakes.
2. Camping is FREE with Admission, and there is NO EXTRA for additional vehicle Parking.
3. It is DRY CAMPING, which means: NO electric hook-ups, NO water and NO waste dumps, or showers. We do have portable bathrooms around the Lake, and a built-in bathroom facility at the Tackle Shop.
4. There are NO designated camping areas or assigned spots to reserve. Most people get in line a few hours EARLY to be some of the first through the gate and have a greater choice of areas to setup camp.
5. You can bring and use a BBQ and build a campfire. We even sell wood if you don't want the hassle of bringing your own wood.
6. You can camp in your car, your RV, trailer, 5th wheel, tent or just a sleeping bag. Use whatever you have.

7. You can park your trailer or RV next to the lake, but be respectful of others trying to set camp and don't take up too much of the shoreline space. We prefer that you back in or back up to the lake shoreline.
8. Motor Boat, Row Boat and Pontoon Boat rental are available and can be used all night long. Boats are also available on a first come first serve.
9. We have a full Tackle Shop with everything you might need, including food, drinks and snacks.
10. Our Staff and or our Lake Guides will be more than happy to assist you by answering any of your questions about how, what and where to catch fish. They can also look at your fishing equipment and make recommendations that might help you catch more fish.
11. The Entrance Gate closes at 11:00pm, so you must arrive before 11:00pm to fish the 24-Hour Special. You will not be permitted to leave the Lake and re-enter after 11:00pm, unless in the event of an actual emergency.

MOST IMPORTANTLY, HAVE FUN!!

THANKS!
