## 24-Hour Fishing, “Family Special”

### HERE IS HOW IT WORKS:

Once a month during Trout Season, we will hold these 24-Hour Specials usually the weekend nearest the full moon, on Friday and Saturday evenings. Check our website for the exact dates, sometimes it varies.

**During our Summer Catfish Season, we hold them EVERY weekend.** 24-Hour Fishing is NOW on Thursday, Friday and Saturday Evening beginning at 5:00pm and ending at 4:00pm the following day. You can fish all night long, all through the early morning, and clear up till 4:00pm the next day. Fish the Thursday, Friday or Saturday Evening sessions, or all three, if you want to make it an all weekend long outing.

**There is a 15 Fish Limit with the 24-Hour “Family Special.”** The fee is ONLY \$75 for the **FAMILY Admission.** The **Family Special** allows Dad, Mom and up to 3 minor children (under 18) to accompany Dad and help him catch the “Family” 15 Fish Limit. **That’s only \$15 per person!! THERE IS NO BETTER DEAL AROUND THAN THIS FOR A FAMILY TO GET OUT, HAVE SOME QUALITY FUN, AND BRING HOME A LOAD OF GREAT EATING FISH FOR THE FAMILY!!** 15 fish is worth (depending of the size of the fish caught) around \$150.00 or more so it’s a GREAT value!!

1. The “**Family Special**” is designed to help families get out and enjoy quality outdoor recreation and fishing at a deeply discounted price. **This means immediate family, the Parents and the Kids. We also have new lower 24-Hour Admission pricing for everyone else, PLEASE SEE BELOW.\***
2. NO Reservations are needed, it’s first come first serve, but we have plenty of areas to setup camp around the Lakes.
3. For the **Family Special**, Camping is INCLUDED with the \$75 Admission. There is NO EXTRA fee for vehicle parking, as long as everyone arrives in the same vehicle.
4. It is DRY CAMPING, which means: NO electric hook-ups, NO water and NO waste dumps, or showers. We do have portable bathrooms around the Lake, and a built-in bathroom facility at the Tackle Shop.
5. There are NO designated camping areas or assigned spots to reserve. Most people get in line a few hours EARLY to be some of the first through the gate and have a greater choice of areas to setup camp.
6. You can bring and use a BBQ and build a campfire. We even sell wood if you don’t want the hassle of bringing your own wood.
7. You can camp in your car, your RV, trailer, 5<sup>th</sup> wheel, tent or just a sleeping bag. Use whatever you have.

8. You can park your trailer or RV next to the lake, but be respectful of others trying to set camp and don't take up too much of the shoreline space. We prefer that you back in or back up to the lake shoreline.

9. Motor Boat, Row Boat and Pontoon Boat rental are available and can be used all night long. Boats are also available on a first come first serve.

10. We have a full Tackle Shop with everything you might need, including food, drinks and snacks.

11. Our Staff and or our Lake Guides will be more than happy to assist you by answering any of your questions about how, what and where to catch fish. They can also look at your fishing equipment and make recommendations that might help you catch more fish.

12. The Entrance Gate closes at 11:00pm, so you must arrive before 11:00pm to fish the 24-Hour Special. You will not be permitted to leave the Lake and re-enter after 11:00pm, unless in the event of an actual emergency.

### **\*New lower Pricing for 24-Hour Fishing**

Adults (18yrs.) 24-Hour Admission	10 Fish Limit	\$30
Kids (4 to 17 yrs.) 24-Hour Admission	5 Fish Limit	\$20
Vehicle Overnight Parking		\$20

1. We lowered our Admission for 24-hour fishing on single adults from \$75, down to \$30, plus the overnight vehicle parking fee of \$20, or a total of \$50. Kids 4 to 17 years old, are now only \$20.

2. There is no limit on the number of people per vehicle, so the more you bring per vehicle, the greater the savings. These new lower prices can be added to the "\$75 Family Special" first described above, for any extra people joining the family.

**Example:** 2 Adults and 4 Kids, non-immediate family members:

2 Adults (10 fish limit each) x \$30	= \$60
4 Kids (5 fish limit each) x \$20	= \$80
1 Vehicle Overnight x \$20	= \$20

**TOTAL = IS ONLY \$160, or less than \$27 per person, and includes a 40 FISH LIMIT, worth (depending upon the size of the fish caught) around \$400.00 or more, AGAIN, A FANTASTIC VALUE!!**
